Middle School Math/Language Arts Teacher

The New School is seeking a Middle School teacher who will plan, organize and implement an appropriate instructional program to include math, language arts and other content areas in a middle school learning environment that guides and encourages students to develop and fulfill their academic potential.

Duties/Responsibilities:

- Plans and develops an engaging, age-appropriate course of study in the classroom, adhering to educational best practices and curriculum guidelines.
- Designs and presents individual lesson plans using a variety of teaching techniques that appeal to various learning styles and methods.
- Prepares materials for lessons, assignments, and tests; evaluates, corrects, and grades student performance.
- Manage student behavior in the classroom by establishing and enforcing expectations and procedures.
- Monitors students' progress throughout the year and evaluates preparedness for the next educational level.
- Communicates all progress and concerns with tact and professionalism to parents and, as appropriate, other faculty, staff, and/or division head.
- Builds and maintains positive relationships with students, parents/guardians, and fellow staff.
- Enforces safety and security standards for students, staff, and visitors.
- Maintain accurate and complete records for individual student progress, files, attendance and incident reports, and other necessary records.
- Communicate necessary information regularly to students, colleagues, and parents regarding student progress and student need.
- Participates in faculty meetings, educational conferences, in-service opportunities, workshops, and other training seminars.
- Maintains knowledge of research, developments, and best practices in appropriate levels of education.
- Prepare classroom for class activities at the beginning of the school year; inventory, pack and organize classroom for summer use.
- Participate in extracurricular activities such as social activities, sporting activities, clubs, and student organizations as directed.
- Performs other related duties as assigned.

Required Skills/Abilities:

- Thorough understanding of pedagogy and the best practices of education.
- Desire to teach and ability to adapt to varied developmental status.
- Ability to design lessons that teach curriculum in an engaging manner, applying various teaching methods such as play, lectures, discussions, demonstrations, and individual or collaborative projects and research.
- Strong supervisory and leadership skills to manage and control the classroom.
- Excellent verbal and written communication skills.
- Excellent interpersonal skills with a proven ability to maintain professionalism and tact in high-stress situations.
- Excellent organizational skills and attention to detail.
- Creative, analytical, and problem-solving skills.
- Use relevant technology to support and differentiate instruction.

Education and Experience:

Bachelor's degree in Education or related subject required; Master's degree preferred; or two to four years related experience and/or training or equivalent combination of education and experience.

- Teaching license preferred.
- Previous teaching experience preferred.
- CPR certification preferred.

How to apply:

Interested applicants should submit an application and a letter of interest, current resume, and list of references online at www.thenewschool.org/about/career-opportunities

The New School is an independent school that respects, embraces, and celebrates diversity in its curriculum, student body, and staff. The New School does not discriminate on the basis of race, religion, gender, gender identity or expression, sexual orientation, color, national or ethnic origin in the admission of students, in hiring, or in the administration of its educational program.
